MEMORANDUM FOR: Director, Office of External Affairs

FROM:

Director of Central Intelligence

SUBJECT:

Leaks

In implementing the President's instructions last week designed to do with leaks, the "line of the day" and complementary guidelines are to go out each morning. Each agency is to get over to the White House communications office a summary of anything he knows which would be likely to come up in press briefings.

Get in touch with Gergen's office and get wired into this. For a little while now the NSC has been sending out daily guidelines to Defense and State. Have we been getting these? If we aren't, we should.
